- Development of Custom Utilities using Java and Custom Company specefic API's.

TECHNICAL SKILLS

Data Structures and Algorithms

Core Java

Collections-JAVA

Problem Solving

Object Oriented programming

MySQL

Databases

Knowledge of Core Javascript

Excellent Coding skills

HTML

C Programming

MAVEN

SVN

ACHIEVEMENTS AND CERTIFICATES

One of My Approach got Posted in Geeks For Geeks Article. (2022 - Present)

My approach posted in "Toggle bits in a given range".
<https://www.geeksforgeeks.org/toggle-bits-given-range/>

Got Consistency goodies from LeetCode.
(2022 - Present)

Leetcode Profile : <https://leetcode.com/oceanbhardwaj/>

Certification of Newgen Certified Implementation Professional(level -1) (2022 - Present)

Pinnacle Performance Award - Newgen (2021 - Present)

Appreciation from Newgen software

3 * on CodeChef (2021 - Present)

https://www.codechef.com/users/ocean_bh

5* Coder on HackerRank (2020 - Present)

<https://www.hackerrank.com/oceanbhardwaj>

HackerRank-JAVA (06/2020 - Present)

Skill Certification Test

Excelled in academic performance and facilitated for the same by JSSATE,Noida (2017 - 2019)

Secured 1st position in AKTU examination.

ADDITIONAL INFORMATION

Honoured for being the active member of NGO , Slum Swaraj Foundation(SSF) for more than 2 years (2017-2020) taught me the art of teamwork.
